

Sculptra Aesthetic Aftercare Instructions

- Massage the treated area for 5 minutes, 5 times per day for 5 days after your treatment.
- Within the first 24 hours after your treatment, apply an icepack or ice wrapped in a cloth to reduce swelling to the treatment area.
- You may apply makeup a few hours after your treatment if no open wounds or bleeding.
- Avoid sun and UV sunlamp exposure until swelling and redness have disappeared.
- A few days after treatment, you may look as you did before treatment
 - This is normal and temporary
 - Sculptra Aesthetic works to gradually replace lost collagen.
 - Visible results appear within the first few treatment sessions (ideally 4-6 weeks apart).
